

Dear Prospective Vendor,

Thank-you for your interest in Stark Vintage Market, a new Antique and Artisan Market at the Stark County Fairgrounds. The goal for this market is to offer antiques, collectibles, artisan and re-purposed merchandise in a way that will appeal to the current buying public. I want this market to be exciting and vibrant, to attract collector, decorator, and consumer alike in an atmosphere filled with vendors who love what they do and take pride in what they are selling.

The market will run 4 times a year – February, April, October, and December.

This will be a juried market so photos of your booth set-up or merchandise will be required for your first show. Photos can be sent via text, email or with links to your Facebook or Instagram posts.

Items that are allowed include the following:

General antiques – at least 100 years old.

Vintage Collectibles – at least 25-100 years old

Artisan and re-purposed – Must be made with at least 50% vintage materials

This is not a flea market so your booth must have an appropriate show set-up, with table coverings and properly displayed and priced merchandise. No cardboard boxes can be used for selling.

NO firearms or alcohol sales are allowed. NO reproductions (unless approved by the promoter) or crafts are allowed. Due to insurance liability, NO PETS will be allowed in the building, other than certified service animals.

Once your application has been accepted, you will receive a confirmation letter. I will do the best I can to give each vendor their preferred booth location, but this may not always be possible. You will receive your previous booth location only if a deposit is received at least one month prior to the show. Set-up will be on Friday from 9-6 and the show will run on Saturday from 9-4. There is no early packing allowed, and anyone violating that rule will not be invited back.

Advertising will be done on multiple social media outlets, print media and through the Fairgrounds website. Our own website is up and running – [www.starkvintagemarket.com](http://www.starkvintagemarket.com), so please pass that along to your customers. Flyers will be available to any vendor who wishes to help distribute them. If we work together, I believe we can make this show a success!
